Park Access Guide

Including information for Guests with disabilities

Prepared by: IMG Worlds of Adventure
Operations Division

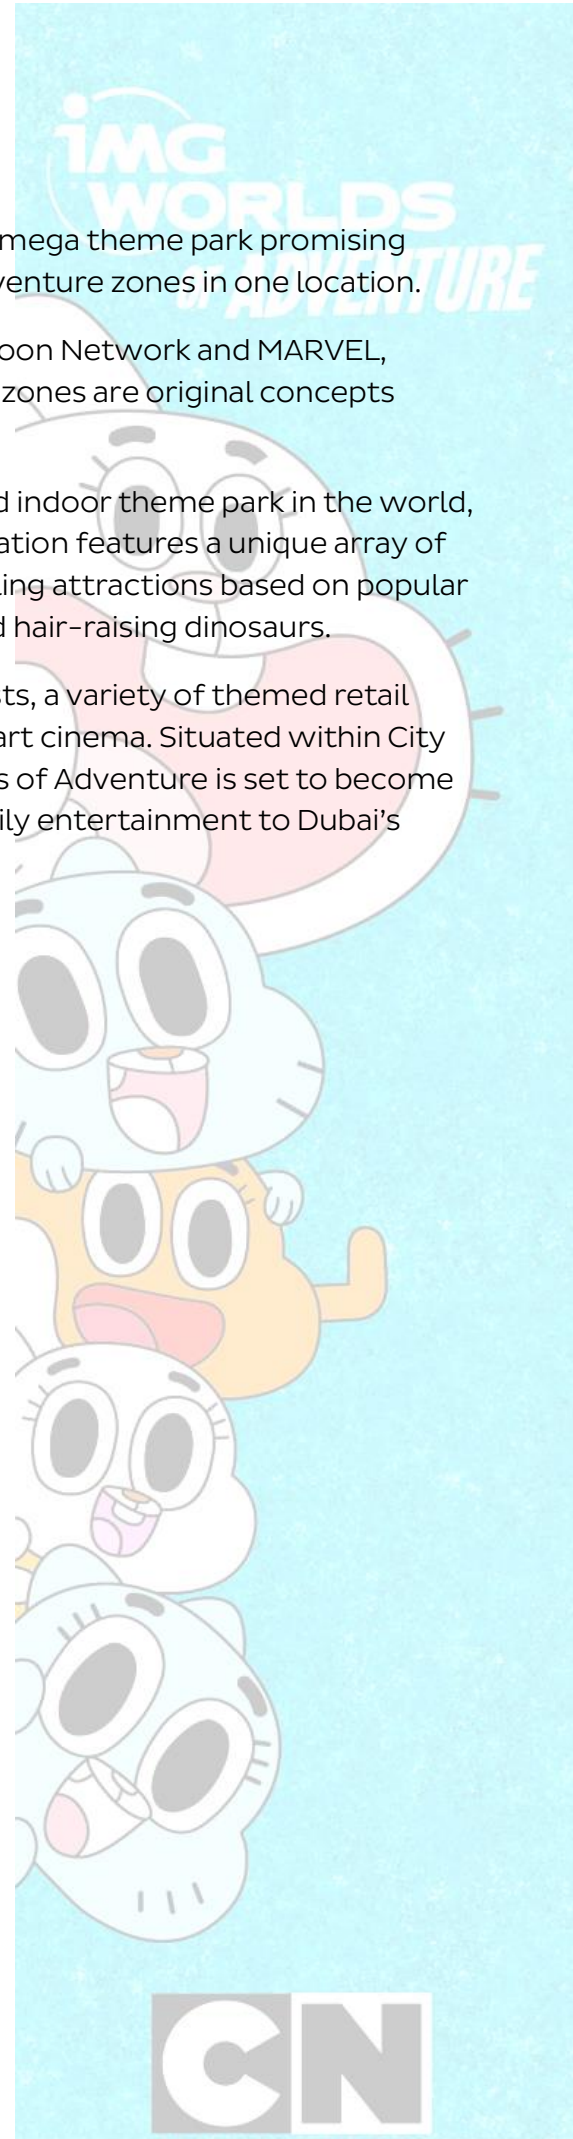

1. Welcome

Owned by IMG Group, IMG Worlds of Adventure is Dubai's first mega theme park promising visitors from around the world the excitement of four epic adventure zones in one location.

Two of the four zones represent renowned global brands Cartoon Network and MARVEL, while IMG Boulevard and the Lost Valley – Dinosaur Adventure zones are original concepts created by the IMG Group.

IMG Worlds of Adventure is the largest temperature controlled indoor theme park in the world, covering an area in excess of 1.5 million square feet. The destination features a unique array of adrenaline-pumping roller coasters, thrill rides, and spine-tingling attractions based on popular Cartoon Network characters, iconic MARVEL Super Heroes and hair-raising dinosaurs.

Additionally, the destination is home to a number of world-firsts, a variety of themed retail stores, exclusive dining venues, and a 12-screen state-of-the-art cinema. Situated within City of Arabia, along Sheikh Mohammad Bin Zayed Road, IMG Worlds of Adventure is set to become a must-visit international destination, bringing the best of family entertainment to Dubai's growing leisure industry.

2. Access Guide

Overview of Guide

This guide has been produced to give you an informative and realistic picture of our attractions, detailing access issues, ride restrictions, details of ride evacuations and the requirements for helpers to accompany guests.

Hopefully this, along with general ride restrictions detailed on signage at each ride, will enable you to assess your own abilities and make an informed decision about which attractions you are able to, or wish to use.

For our guests who are or believe they are pregnant we recommend caution be taken before using our rides and attractions. Due to the forces exerted and the need to have belts and harnesses fastened it may not be suitable to ride.

For further information when you arrive please ask at the Guest Relations area at the entrance to the Park.

Before your visit, contact us on 600 500 WOA / 600 500 962 or visit our website at www.imgworlds.com or email guestrelations@imgworlds.com

We would like to know if you have enjoyed your visit. We welcome any comments and suggestions you may have regarding IMG Worlds, its facilities or this guide.

Ticketing for Guests with Disabilities

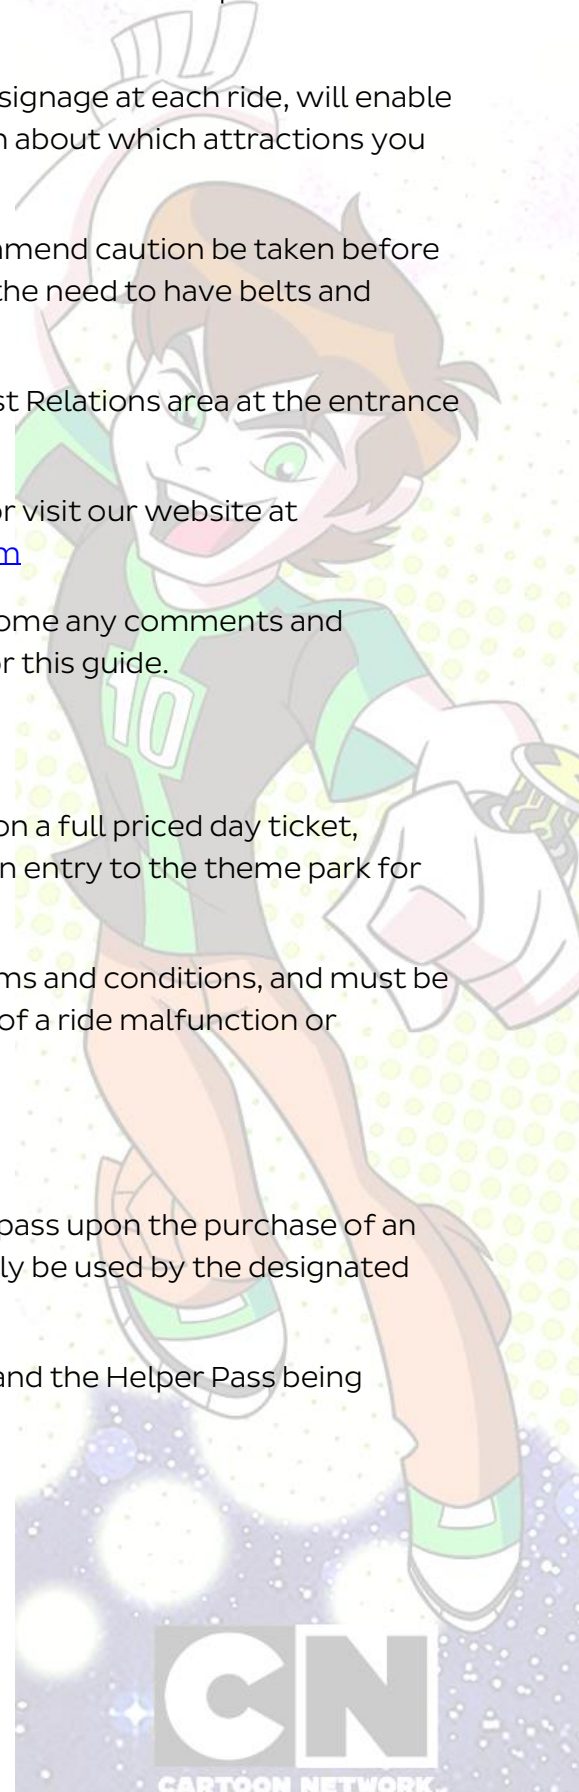

Guests with registered disabilities must enter the theme park on a full priced day ticket, however when providing proof of disability; one helper can gain entry to the theme park for free with them.

The helper must qualify as an adult as per the theme park's terms and conditions, and must be able to support and assist with the disabled guest in the event of a ride malfunction or evacuation.

Annual Pass Holders

A guest with registered disability is eligible for one free helper pass upon the purchase of an IMG Worlds of Adventure Annual Pass. The Helper Pass may only be used by the designated Helper when accompanying the Disabled Pass holder.

Misuse of the Helper Pass will result in both the Disabled Pass and the Helper Pass being revoked without compensation or refund.

3. Statement on Disability

IMG Worlds of Adventure will do everything possible to ensure its guests have a safe and enjoyable stay.

However certain rides and attractions in our park are physically demanding and vigorous. Attractions, by their design and nature are not always suitable for guests with certain disabilities.

IMG Worlds of Adventure therefore reserves the right to refuse admission to any ride or attraction should we feel there is an unacceptable risk to the safety of the guest or others through their participation.

Should IMG Worlds of Adventure choose to refuse access to a ride or attraction on the grounds of safety this is not considered discriminatory; so long as the reasoning is clearly justified.

Our staff have been trained to look after our guests and they do so conscientiously. If any member of staff is concerned for the safety of any guest he/she will explain this and may ask for a second opinion from their line manager.

IMG Worlds of Adventure hopes that you understand and accept this policy. We remind you that the safety and comfort of all our guests remains our primary concern.

4. Access Guide

Parking

Parking for guests with disabilities is available at our car park. Guests with disabled badges displayed in their cars may park in the designated spaces (you may be asked to show your photo ID card).

Please note that there are a limited number of parking spaces specifically for people with disabilities.

If you contact us before you arrive, we will try to ensure that a space will be available for you, but this cannot be guaranteed.

Wheelchair Hire

If a wheelchair is required during your day at the theme park, a limited quantity is available on a first come first serve basis. The wheelchair rental facilities are located in the Guest Relations office at IMG Boulevard, just past the entrance turnstiles. You will be asked to leave a monetary deposit of 100 AED. If additional assistance is required, please notify an attendant.

Restrooms

All of our toilet facilities have access for guests with disabilities in both the male and female bathrooms. Disabled facilities for guests who require assistance are available within our family bathrooms.

Group Sales

Special rates are available for groups booking in advance.

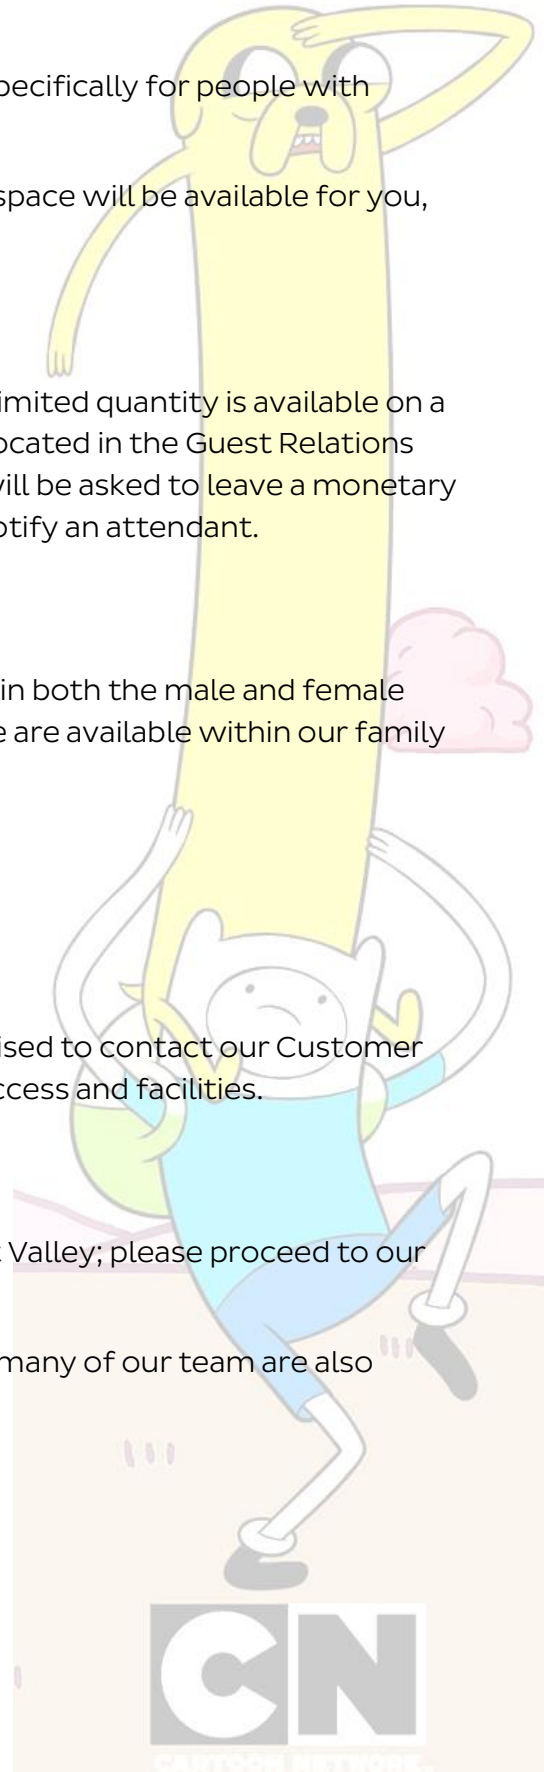

Please contact Group Sales on 600 500 WOA

Large groups of guests with disabilities visiting the Park are advised to contact our Customer Services team, ideally prior to their visit, for further advice on access and facilities.

First Aid

First Aid facilities are available in the theme park within the Lost Valley; please proceed to our Guest Relations where our team will be pleased to assist you.

Our First Aid facility is operated by Medeor 24x7 Hospital L.L.C., many of our team are also qualified First Aiders.

5. Rides & Attractions

Attraction Restrictions

IMG Worlds of Adventure Attraction Access Policy reflects those in place commonly throughout the world. While we strive to make our attractions as universally accessible as possible, we have a duty to enforce a number of restrictions to ensure the safety of our Guests and Staff.

As a responsible operator of theme parks, safety remains our number one priority.

General Restrictions

Detailed below are the general restrictions which apply to all attractions, but Guests must be aware that access to individual attractions is also subject to additional restrictions. We also strongly recommend that Guests watch any attraction in operation before making the decision on whether they wish to ride.

Our attractions are not suitable for:

- Guests who are under the influence of alcohol or drugs.
- Guests who are in a poor state of health.
- Pregnant women.
- Guests who have a medical history of heart, back or neck problems including cardiovascular problems or high blood pressure.
- Guests who have recently undergone surgery or who have been recently unwell which may be aggravated by the motion of the ride or attraction.
- Children who are unable to walk and sit upright unaided. It is not permitted for babies to be held in the arms of other riders.

Disabled Guests Restrictions

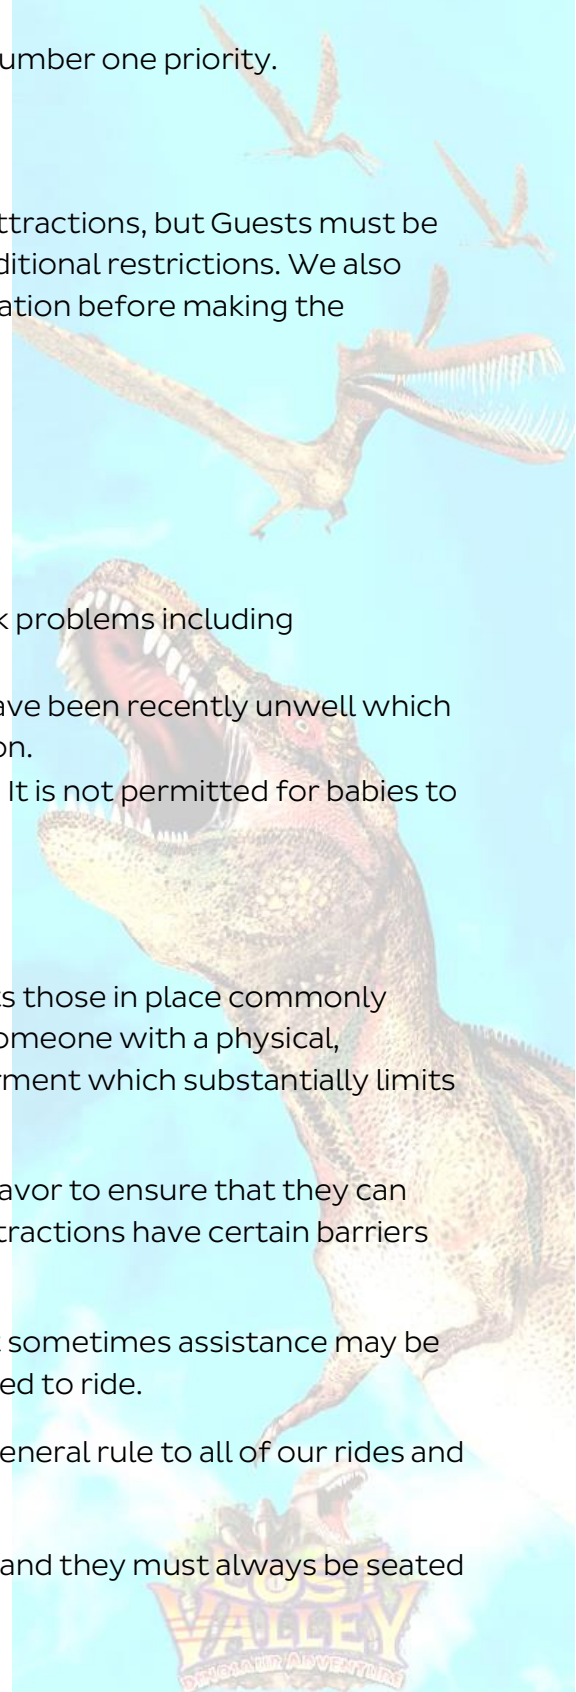

IMG Worlds of Adventure Guests with Disabilities policy reflects those in place commonly throughout the world. A person with a disability is defined as someone with a physical, cognitive, mental, sensory, emotional or developmental impairment which substantially limits at least one of their major life activities.

Guests with disabilities are welcomed to the park and we endeavor to ensure that they can enjoy the park and rides as much as other guests do, but our attractions have certain barriers that make it difficult for them to use our rides.

It is our goal to make the park as hindrance free as possible, but sometimes assistance may be required and at other times disabled guests will not be permitted to ride.

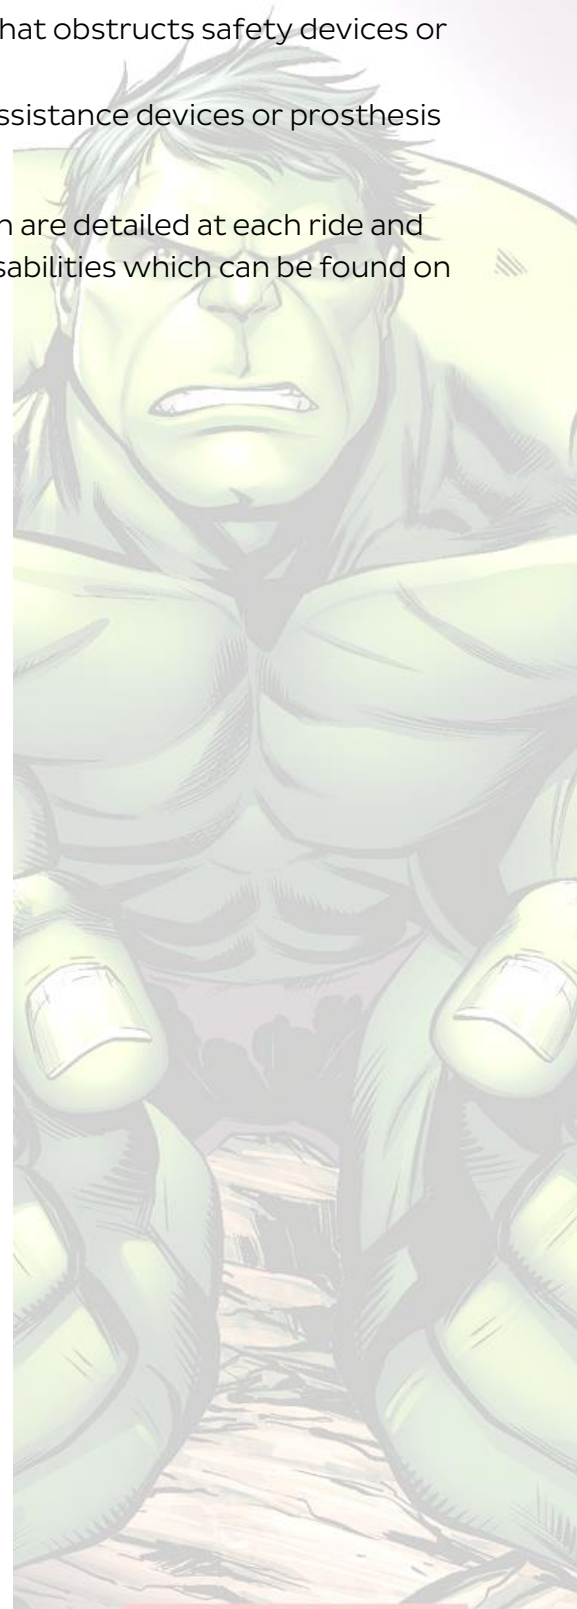

At IMG Worlds of Adventure the below restrictions apply as a general rule to all of our rides and attractions.

- There is a maximum of 1 Guest with Disability per ride cycle and they must always be seated with 1 designated carer.

- Due to evacuation purposes Guests with Disability and their carers may be required to sit in a designated seat at a particular ride.
- The Guest must have the body and spinal control to sit upright without the aid of other people or devices and be able to maintain the riding posture even during bumping or other characteristic movement of the ride.
- The Guest must be able to enter and exit the ride without jeopardizing themselves or others and assist with their own evacuation if necessary. This may include special arrangements such as entering through the exit or having someone aid them in boarding. If a Guest has to be assisted in and out of a ride vehicle, this must be accomplished by a responsible person who is accustomed to doing this. For the safety of our Guests and Operators, our rides Operators are instructed not to perform this function.
- All restraints must close properly and must not be hindered by any devices or apparatuses that the Guest may be wearing.
- Guests with casts or prosthesis should not wear any item that obstructs safety devices or puts an adjacent passenger at risk.
- Guests with disabilities must be free from any unsecured assistance devices or prosthesis which might become loose during the ride.

Note that certain attractions have additional restrictions which are detailed at each ride and attraction as well as in the parks guidebook for Guests with Disabilities which can be found on our website or picked up from Guest Relations.

The Haunted Hotel

Minimum Height if unaccompanied	Minimum Height if accompanied by an Adult	Maximum Height	Age Limit	Smoke Effects in Use	Strobe Lighting in Use	Disabled Access Point
